

# Metal Detecting

*Rumor has it, there are two spots in the Grand Senora Desert that has buried treasure!*

Head up to YouTool YouTool to get yourself a Metal Detector. Inside the store, there will be a local in the back where you can purchase it. Once you've done so, go to one of the Metal Detecting locations MetalDetecting: Now it's time to take your Metal Detector out and start looking for that buried treasure!
