

# Criminal Contacts

Contacts can be established throughout the city when committing ordinary criminal acts.

For example, a player might find a sticky note in a safe cracking job which contains a phone number. This number can be dialed from a **Payphone** to setup a meeting.

# Assassination Hits

Do you currently find yourself with an individual in mind that you wish to discreetly remove from the scene without facing any direct repercussions or negative consequences? The criminal contact offers you the opportunity to secure the services of a hitman to carry out the task seamlessly, and all it takes is a fixed amount of dirty money to ensure a discreet and effective elimination of the target, sparing you any potential backlash.

Buying Intel

# Gruppe 6

A bank insider has been on the contact's payroll for years and is willing to provide information on an armored truck carrying cash and other high value items -- for a price.

Buying Intel

# Gun Van

Looking for an illegal weapons dealer? Contacts can be paid for a location tip on a gun van full of Class II weapons.

# Fencing Goods

Have stolen items that you want to sell? Contacts can accept a variety of commonly pawned items, with a max limit per item every day.
